D. Milne  Tailleurs Tailors

D. Milne Graduation Gowns are made to specifications which represent true academic standards. Made from lightweight, crease resistant fabrics in a variety of colours, they are freshly cleaned and prepared for wear before each use.

Our rental system is simple and easy, requiring minimal effort for the staff and students, as the gowns are packed alphabetically for distribution. Unpack the boxes in order and the gowns will be ready for distribution in just a matter of minutes. After the ceremony, repack them in the boxes they were received in, and call for a pick-up. It's that simple!

Honour Stoles & Cords are now available for purchase or rental. Recognize those special students by having them wear a golden cord with tassels, or choose the high quality gold satin stole with the word "honour" silk-screened on one panel. Such a simple touch for an excellent achievement.

white

Regalia for staff and faculty are available for both purchase and rental. D. Milne carries a wide variety of Bachelor, Master, and Doctoral attire. Items for purchase are prepared to University specifications. As custom orders require a six to eight week delivery, please plan ahead.

In addition, for institutions of higher education, we manufacture unique gowns for the offices of Chancellor, President, Dean, and any other position. We also offer design services should you require something new or want to change an existing design. Full attention to detail will be given to all garments - from the basic to the most complex items.

The Souvenir Cap is a special item that is worn by the graduate to complete the attire. Made in fabrics to match the gowns, the cap is a memento of the precious years that the graduates had in their school. The yeardate tassel is included, and is available in multiple colour combinations to accent or complement school colours.

V-Stoles are available in a single colour polyester fabric to complement school colours. D. Milne will also custom make multiple colour V-Stoles of the fabric of your choice to further enhance the convocation attire.

D. Milne Tailors is a full service Academic Regalia Company - owned and operated in Montreal, Quebec, Canada. Servicing all levels of academic institutions, we maintain a rapidly growing client base that spans the country. The wearing of graduation caps and gowns will make the student's special day even more special and memorable and they will be proud to show their achievements to family, friends, and teachers as they receive their degree.

SPECIAL THANKS to the staff and faculty of Lindsay Place High School.

Call us today to discuss your details.
